Facebook: Art with Amara | www.ArtwithAmara.com | c: 269-267-5799

For Grades:
Young 5s
Kindergarten
1st Grade
2nd Grade

CLASS 1 (Y5s-2ND GRADE):

HIDE & SNAKE

Monday, September 12th @ 3:10 - 5pm
Central Elementary Cafeteria

Find the snake hidden in this art lesson that features a rainbow of long, skinny objects. Students will learn about color as they mix the primary colors to make the secondary colors. After cutting their rainbow apart with wavy lines, they will add different ends, one of which will reveal the true snake.

CLASS 2 (Y5s-2ND GRADE):

LEGO PRINT-MAKING BRIDGE

Monday, October 3rd @ 3:10 - 5pm
Central Elementary Cafeteria

Your child will be learning about the seven main types of bridge construction before choosing one to print with liquid tempera and Legos on a simple background. Lines and space are emphasized, but there are also elements of STEAM.

CLASS 3 (Y5s-2ND GRADE):

MEXICAN SUN WALL HANGINGS

Monday, November 7th @ 3:10 - 5pm
Central Elementary Cafeteria

Mexican suns with the decorative detailing and curvy sun's rays are commonplace in Mexican arts & crafts. Children learn how to shape a flat piece of clay and add color with either underglaze or regular tempera or acrylic paint.

CLASS 4 (Y5s-2ND GRADE):

HAPPY PAPER PENGUINS COLLAGE

Monday, December 5th @ 3:10 - 5pm
Central Elementary Cafeteria

Your child will have an opportunity to practice their elements and principles of art in this cute & colorful penguin collage! Using over 6 different mediums in this project, your child will love getting messy and making some cute winter-themed art!
